Dr Rebecca Wyten

Specialist Plastic & Reconstructive Surgeon

Primary Areas of Focus

Dr Wyten specialises in aesthetic and corrective surgeries for women only. Her specialties include, Breast Surgery, Abdominoplasty, Body Contouring and Labiaplasty.

The Dr Wyten Difference

As a female, Dr Wyten understands the importance of quick recovery and minimal scarring. Her highly trained Surgical Support team work alongside our Coco Ruby Skin & Anti-Ageing Dermal Clinicians to ensure aesthetically pleasing and natural looking results, with minimal telltale signs of surgery.

Results & Recovery

Dr Wyten has a commitment to excellence in patient education and post-surgery patient care. Patients are offered Rapid Recovery packs and post-operative scar minimisation treatments such as Healite II low-level light therapy, Fraxel Laser treatments and other skin therapies to help achieve optimal results and heal faster.

Experience & Qualifications

B.Sc. Molecular Biology and Genetics BSc
(University of Adelaide)

MBBS Bachelor of Medicine, Bachelor of Surgery
(University of Sydney)

Fellowship, Plastic and Reconstructive Surgery
(Royal Australasian College of Surgeons)
Fellowship in France.

Professional Memberships

Dr Rebecca Wyten is currently a member of:

FRACS - Fellow of the Royal Australasian College of Surgeons (FRACS)

ISAPS - The International Society of Aesthetic Plastic Surgeons (ISAPS)

Patients of Dr Rebecca Wyten can feel confident sooner with her unique post-surgery healing protocols and scar management strategies. Cosmetic & Plastic Surgery patients will appreciate her artisan surgical skills and her friendly, caring nature.
